Sonqo Deluxe was born as a result of the desire to create a luxury brand with a timeless perspective. Our design stands out for contemporary details, which creates a unique balance between classic and innovative, a key element to enrich any style.

Sonqo means “heart” in quechua, one of the Peruvian native languages. For us, Sonqo means a deep feeling of love for our communities, care for the environment, the planet, and nature; but, above all, Sonqo symbolizes the love for building a sustainable and fairer world.
